## UTTAR PRADESH POLICE TECHNICAL SERVICES HEADQUARTERS

IVIN FLOOR JAWAHAR BHAWAN, ASHOK MARG, LUCKNOW-226 001

TENDER NO. TS-MOD-294 2015-16 (Training Lab)

DATED :Feb. 01 2017

## Corrigendum

This is to communicate about earlier published Tender letter no.TS-MOD-294//2015-16 (Training Lab) dated 20-12- 2016 and corrigendum dated 13-01-2017 and 25-01-2016 issued by this headquarters regarding tender receiving proposal for following items. Now the objection of the has been ractified as per given

Name of the Firm	Objection of the firm	1 (equest of the limit	Ractification by the committee
1	2	3	4
1-M/s 3 <sup>rd</sup> EyeTechn o Solutions Pvt. Ltd. New Delhi.	1-Group A:1-High End Forensic Workstation:  a. Processor: The CPU Speed is mentioned as 2.4 GHz and CPU Cache as 20 MB.	The 10 Core E5 Xeon processor has the CPU Speed of 2.2 GHz and a CPU Cache 25 MB. We request to kindly amend it	No change is required. Please refer para-7 of general Terms & Condition wherein the product should be functionally equivalent international repute brand & quality product is admissble.
	b. Network Adapter: A particular model of network adapter is mentionede as "Intel82574L) which is a Gigabit Speed Ethernet chipset.	it should be noted that the importance here is of high speed ethernet connection. So it would be helpful if it is	No change is required. Please refer para-7 of general Terms & Condition wherein the product should be functionally equivalent international repute brand & quality product is admissble.
	c. Operating System: it is mentioned as "Windows 10"  d. Write Blocker: The Write Blocker is mentioned with	many different versions. However as the workstation is for forensic Use, it is required to have a highest version of Windows 10, which is known as "Windows 10 Professional".  We request to kindly amend it to Windows 10 Professional: as not mentioning it will create an ambiguity and also a possible chance that the vendeors may supply you with the cheaper version of windows 10 which will be of no use for forensic purpose.	in this object.
	the "IDE/SATA/USB/SAS/FireW re"		

17.00 mm.	e. Front Mounted Drive Bays: At the end of this specification an extra word is mentioned as "PCI-e" under this requirement.	relevance in this feature it seems that it is probably been added by mistake during editing. We request to kindly remove this word "PCI-e" from this feature to avoid any possible confusions.  However, in case it is added for any specific requirement, we request to kindly elaborate the requirement, so that is clear what exactly is required here.	The word "PCI-e" is added by clerical mistake. Hence the word "PCI-e" is removed.
	2- Group B- 5- Desktop with	Thus kindly amend this to 8 GB RAM	No change is required. Please
