To  
All States/UTs CCTNS Nodal Officer

Subject: Testing of the network bandwidth at Police Station

Sir,

This is in reference to the CCTNS Project review meeting held at MHA under the chairpersonship of the Union Home Secretary on 17<sup>th</sup> July 2014.

During the meeting, it was highlighted by the CCTNS Nodal Officers of the States/UTs that the proper network bandwidth is not available, due to which filing of FIR is taking huge amount of time. Hence, it was desired by the chairperson that sample testing for the network bandwidth at Police Stations should be jointly done by the BSNL, SI, SPMU and State representatives and the report should be submitted to MHA/NCRB by 31<sup>st</sup> July 2014,

In view of the above, States/UTs are requested to furnish the summarized network bandwidth test report of your State/UT in the format enclosed along with this letter. The testing needs to be done by selecting atleast one PS in a sub-division and sufficient PS from rural areas.

This has the approval of DG NCRB.

Yours Sincerely

  
(D M Mitra) 17/14  
Joint Director (CCTNS)
