Dear Shri Arvind Kumar Jain,

Induction of IPS officers in CISF starts at the level of DIG, and presently 07 posts earmarked for IPS officers are vacant. DIsG of the CISF Zone/Plants play a vital role in the direct management of field formations for providing effective security and for maintaining the force under their charge in a state of high efficiency, training, discipline and morale.

Maintaining a close liaison with the respective District/State Administrations and PSU's is also an important function of the DIsG. They interact with Heads of Undertakings falling under their jurisdiction and advise them on matters of security and better protection.

Thus, IPS officers coming at this level gain important experience in securing country's infrastructure and also working in the Central Government. Since CISF units are spread across length and breadth of the country, it would be possible to post the interested IPS officers as per their choice. Presently vacancies at DIG rank are available in the States of West Bengal, Chattisgarh, Madhya Pradesh, Tamil Nadu, Jharkhand, Bihar, Karnataka and Delhi.

In view of the same, I am to request you to kindly sponsor capable officers from your State, who are empanelled to hold the post of DIG at the Centre and are willing to serve in CISF.

Your co-operation in this regard is solicited.

With regards,

Yours sincerely,

(ARVIND RANJAN)

Shri Arvind Kumar Jain, IPS,
Director General of Police,
