ADG (K)

Sub: Interpol training program for three days on "Investigating Trafficking of Spurious Medical Products" for Indian participants from 6 to 8.10.2015 at CBI Academy, Ghaziabad - Nomination Regarding.

11/8/15

The CBI Academy, India in collaboration with ICPO-Interpol, Lyon, France is organizing 3 days training program on the subject "Investigating Trafficking of Spurious Medical Products" from 6 to 8.10.2015 at CBI Academy, Ghaziabad. In this connection, the ICPO-Interpol shall provide boarding/lodging and travel expenses for all participants attending the said training program.

The training program would aim at building up skill-sets for agencies involved in the fight against this type of criminal activities to provide the participants with tools and knowledge to conduct investigation on combating pharmaceutical crime and to share expertise. The training would also give concerned agencies the opportunity to share experience and enhance cooperation.
